Woodlands Course: Designed by Robert Trent Jones, Jr., ranks consistently among America's top resort courses, along with being rated among the top 6 courses in Oregon. Sunriver Resort's Woodlands golf course recently underwent a \$1.5 million irrigation renovation in the fall 2006. This Robert Trent Jones Jr. design is set among dense forest of ponderosa and lodge pole pine. With its abundance of water and numerous outcroppings of lava rock, Woodlands places a premium on shot accuracy.

Meadows Course: Next to the lodge, the Meadows design pays tribute to the great American courses from the 1920's and 30's with its aesthetic grace, while its dramatic use of directional and fore-bunkers serve up ample challenges and excitement for all. It features tremendous variety within its 18 holes, seven of which border the meandering Sun River. It was the host site for the U.S. Women's Amateur Public Links Championship in 2002.
